

ISAIAH 41:10

FEAR NOT
FOR I AM WITH YOU

Grade 3
2020-2021

Welcome to third grade! This year promises to be a full year of learning and growth. This booklet outlines the scope of our learning for this year and the sequence in which we will be addressing each subject. It is intended to assist you so that you know where we are heading on this journey.

Some subjects, such as reading, spelling, and English are more comprehensive in nature, while others address a specific area of that academic discipline. Science moves through Earth, Life, and Physical science topics, and includes regular lab experiences. Social Studies covers topics based on the Core Knowledge curriculum. In all subjects, we follow the academic scope of the curriculum for California. As part of the third grade, you can expect approximately 30 - 35 minutes of homework per night.

In addition to the academic challenges, students can look forward to participation in weekly chapel and periodic chapel leadership. They will be "buddies" with another class, joining together for games and activities throughout the year. An integrated social studies/ writing/ research project will be a multi-paragraph report. There will be opportunities for participation in singing for worship and a school musical.

In addition to an abundance of resources including ipads, computers, and our Promethean smart board that we will be using in the classroom, our standard textbooks will be:

Science	Foss Books and Kits
Reading	California Treasures (McGraw-Hill)
Handwriting	Handwriting Without Tears
Math	Sadlier
Social Studies	Pearson Learning Core Knowledge
Writing	Step Up to Writing
Bible	CPH One in Christ

We look forward to a wonderful year and welcome any feedback from you that might help your child excel. If you have any questions, please do not hesitate to stop by (for quick questions), or to call (797-8186) or email in order to set an appointment so we can give you undivided attention while we meet.

In Christ,

Miss. Heidi Blank
hblank@popfremont.org

Mrs. Ceres Robinson
crobinson@popfremont.org

Spanish

This year 3rd Grade will have a book. 3rd Grade will continue building up their Spanish vocabulary. They will learn numbers 0-60, greetings, Tú and Usted, days of the week, colors, classroom objects, alphabet, months of the year, clothing, food, the body, face and expressions, the house, singular and plural, family, definite and indefinite articles, and some verbs.

We will use Spanish Bingo to reinforce vocabulary words and reading storybooks to reinforce what we are learning and to hear Spanish in action.

Mrs. Viviana Sisniegas

vsisniegas@popfremont.org

**Please note that due to COVID 19 and distance learning field trips and some in-class activities will be adjusted.

August/September
